

How Often Do You Ride B-NPTS Special Services?

If you ride Special Services 30 times per month (or more), Bloomington-Normal Public Transit System may be able to help you save a little cash. B-NPTS now offers prepaid monthly access to Special Services for eligible riders. For \$51.00, eligible riders can prepay monthly access to Special Services. If you ride 30 times per month (or more), the prepaid access program will actually save you money over the regular \$2.00 fare!

Prepaid access can only be purchased one month at a time and only for the subsequent calendar month. Once purchased, prepaid access is not subject to refund or exchange.

Anytime after the 15th of the month, but prior to the 1st of the month, you can fill out the form on the back of this card and send the completed form, with your check (no cash please) for \$51.00, to B-NPTS for prepaid access in the subsequent calendar month. When we receive your completed form and payment, we will credit your Special Services access in the subsequent month as “prepaid”. When you call to arrange your trip in that “prepaid” month, we will verify that you are prepaid and advise you accordingly. You can pick up additional forms on any of the Special Services buses.

Trip reservations are subject to Special Services reservation procedures. Please feel free to call us at 828-7511 if you have any questions. We will be happy to help you determine if this program is right for you!
